

## **Best Practice 1 of Narangi Anchalik Mahavidyalaya**

Adopting the village Niz Panbari.

Objective: To develop the spirit of Social Service and inculcate the value of community development amongst the students as well as to faculty members.

Introduction: In a Democratic country it is utmost important that everyone should get the opportunity to uplift themselves irrespective of cast, creed and religion. Since Niz Panbari is our adopted village, we consider it as our responsibility to uplift the village as our own and help the people of the village march forward towards prosperity.

The Road Map -Planning and execution

Adoption of the village is our priority and responsibility. All the faculty and non faculty members and students of Narangi Anchalik Mahavidyalaya took the initiative in this matter.

General Pattern of Work

1. Taken classes in Primary, and High School of the village by our teachers in twice a month.
2. Those who passed high school leaving certificate get free admission in Narangi Anchalik Mahavidyalaya.
3. Distributed free books to the students from various faculties of this college.
4. For girl students Women's cell distributed sanitary pads and make them aware of hygiene and health.
5. Health awareness programs were organized frequently.
6. Self help groups gathered and provide assistance in regard of their work.
7. Survey of the village has been done and Map of the village has been prepared accordingly.
8. NAM felicitate the teachers of Niz Panbari school on Teachers Day that is 5<sup>th</sup> of September.

Success Report:

2016-17

Taken classes in Primary, M E and High School. The students Shown good results in academics and in personal level.

5 students took admission in our college after passing HSLC in this year.

2018-19

Various students from primary section got state scholarships, most of them did exceptionally well in academics and took admission in M E schools of Niz Panbari. We the faculty of NAM took classes to minimize the void and scarcity of teachers in some subjects.

2020-21

Lock down has hampered the work in 2020 Now in 2021 we are starting our wok in full vigor.

1. Started taking classes in M E and High school in twice a month, especially in subjects like mathematics, social studies and in English grammar.
2. Updated village map.
3. Felicitating MS Kanaklata Keleng of Niz Panbari high school.
