## 1. ICT FACILITIES

For capable handling of modern situations, students must acquire and accumulate knowledge about the newest technologies. Information and Communication technology (ICT) is used in education by college staff to facilitate, improve, and streamline the way that education is delivered.

- (i) ICT is used by faculty for Power Point Presentations by using LCDs and projectors into their lessons. The college is also equipped by digital library, online search engines and websites to prepare effective presentations.
- (ii) Faculties prepare online quizzes for the students after the completion of each unit with the help of GOOGLE forms.
- (iii) Students are counselled with the help of Zoom / Google meet / Google Classroom applications.
- (iv) E-Resources, Class Notes are provided through the College website as well as through the Departmental WhatsApp group.

## ICT Facilities

## 2. FACILITIES FOR WOMEN

- (i) College has separate toilet and urinal facilities for Girls.
- (ii) The College has CCTV Surveillance for the Security of Girls Students
- (iii) Night Guards available in the College Campus.
- (iv) Women Cell has been constituted for the counselling of women and make awareness of gender promotion.
- (v) Separate Common Room for girls available in the College campus.

Girls Pad Release Machine

Girls Pad Destroyer Machine

### 3. INSTITUTIONAL INITIATIVES FOR GENDER SENSITIZATION

In Narangi Anchalik Mahavidyalaya, the girls students of the college constitute more than 70%, all efforts are being taken for their upliftment. Majority of them are from rural regions where they live in abject poverty, illiteracy, poor health. So, the college has resolved to take up the cause of Girl Students. Economic backwardness and Illiteracy of parents also led the college to take them as target group for their empowerment.
